Ladyfest Bellingham is happening June 18-20, 2010, and we need your contributions! Ladyfest Bellingham is looking for bands, visual arts, films, performance projects, skill share workshops, academic/nonacademic papers, and any other creative projects you can dream up.

Ladyfest is a music/arts/ideas festival celebrating the creativity of women/womyn/wombin, trans-folks, queers, grandmas, gender nonconformists and allies. The first Ladyfest was held in Olympia, WA in 2000, and since then, women have organized their own festivals in cities across the globe. Expect to see concerts, art shows, skill shares, film showings, and games happening all over town.
